What is The Work Number?

The Work Number, a service of TALX Corporation, is an automated process for employment and income that allows employees to have their information verified within a matter of minutes. It is the number one service used by mortgage companies, pre-employment screeners, consumer finance, and government agencies.

Is the information secure?

Absolutely, the data is stored in a secure data center that is SAS 70 certified by third-parties for its level of security.

Who is considered a verifier?

A verifier can be any lending institution, property manager or other business that needs to verify employment or income.

Does verification take longer?

No, it is typically turned around instantly. In addition, the automated service is available anytime, anywhere.
